Questions

If you cannot find your answer in our documentation, you may want to consider submitting your question to Atlassian's user-based question and answer community - Atlassian Answers (you can search the automated_attachments tag).

We also have a FAQ section in this space.

Almarise Support

You can **submit a support request via our Support Portal.**

When requesting support, please provide as many details as possible. This will help us resolve your issues faster.

Request a Feature and Report a Bug

We value feedback and comments on how we can make Almarise Products better. If you want to request a new feature or report a bug, you can use the Support Portal or send us an email to apps.support@mail.almarise.com.
